PROLOGUE

As the sun slowly sinks in the west with the dawn of a new tomorrow there is a *reflection* of the past that still lingers. The *reflection* is of you, the administration, the faculty, personnel, and most of all, the students.

In retrospect this year's TIGER staff presents a much broader prospectus of what's happening around our 136-acre campus in the multi-dimensional phases of collegiate life.

From the year that was, the staff has captured the *reflections* of the rewarding and significant events that took place on campus. It was our duty to see that this was done.

Located in one of the most scenic cities of the South, Savannah State College, in its 70th year as an institution of higher learning has provided many students with the opportunity to reject the darkness of hollow formulae and enter the portals of creative experience.

Where there are people, there are events that need to be recorded. This is what the staff of the 1969 TIGER has done. The TIGER is a recording of the enthusiasm, the feeling of growth, and the wealth of excitement that encompasses a college campus.

This year's TIGER is not only a *reflection* of the college family but something much greater; it is a *reflection* of the character, scholarship, activities and the paramount leadership exhibited by the students at the college.

Each student is a part of this kaleidoscope of facts and pictures. As you turn the pages and see yourself, remember it's not only a *reflection* of the past; however, be conscious of the fact that the past is the prologue to the future.

DEDICATION

Because of their Herculean service to mankind and to the Savannah State College family for over a period of twenty years, the editor and staff of the 1969 TIGER dedicate this volume to a dynamic duo highly respected by the students of Savannah State College—Dr. Prince A. Jackson, Jr. and Mr. Felix J. Alexis.

Dr. Jackson, an associate professor of mathematics received his B.S. degree from Savannah State College cum laude, and the M.S. and Ph.D. degrees from New York University and Boston College, respectively. He has written articles, authored a textbook, and has taught graduate courses at Boston College and at Savannah State College.

Mr. Alexis, who is Superintendent of Buildings and Grounds here at SSC received his B.S. degree from Xavier University and has received additional training at Massachusetts Institute of Technology. He has been a pivotal force in planning all new buildings that have been erected on our expanding campus since 1951.

Dr. Jackson stresses an important point to one of his math classes.

Mr. Alexis goes over a blueprint of a building as he is seen during one of his many duties of the day as Superintendent of Buildings and Grounds.

PRESENTS REFLECTIONS...

... OF A QUEST FOR

KNOWLEDGE . . .

As unending and limitless as ever is man's quest for knowledge. Evidenced by the vast amount of knowledge obtained from the dawn of civilization upon the Tigris-Euphrates River Valley to the indescribable lunar journey of Apollo 8.

In Actuality, man has come to realize that to know creates a desire for more knowledge, to gain this, brings about an urge to explore even greater depths, venture even further, ask even more, discover even more. Thereby illustrating man's continuous quest for knowledge.

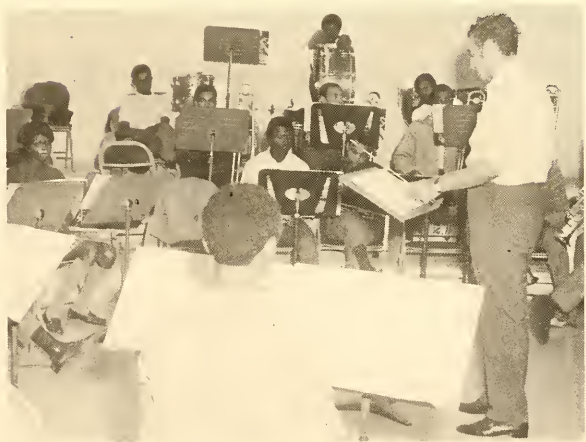

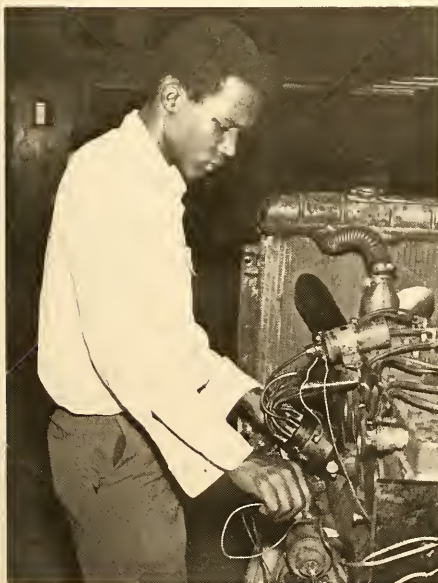

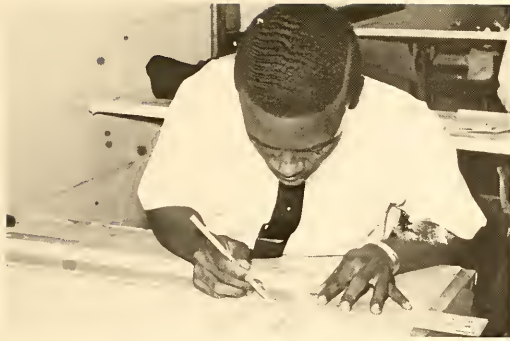

... OF A DISCOVERY

Minds exploring . . . full of knowledge, eager to learn, anxious to know . . . Journeying and hoping to find one thing—thymself . . . Dreams too different, statements too bold . . . Styles too different . . . Minds too aware. Why? How? A desire is present to thoroughly know thymself. Searching, seeking, venturing, probing and discovering—SELF.

OF SELF . . .

... OF STUDENT

From rescuing a sunken freshman during orientation period to volunteering for the American Red Cross defines the dimensions of student participation at SSC. Our institution has some apathetic minds, however their degree of apathy does not deter the rate of activity and participation among students.

Ranging from float decoration, yelling for a team in defeat, attending an SGA meeting, writing copy or criticizing the dining hall, chemical researching, debating, or even singing a sour note to aiding in the Clean-Up Savannah drive, we participate in all aspects of college and community life.

As participation takes place, ideals are born, attitudes are shaped and minds are rounded out with the satisfaction of having participated.

PARTICIPATION...

... OF AN AWARENESS OF OUR

Adams Hall, the dining hall was built in 1931 during the administration of Dr. Benjamin F. Hubert.

Hill Hall which houses the bookstore, post office, offices, recreational rooms and student center facilities was built in 1901 and has been renovated since erection.

William A. Harris Infirmary was built during the administration of Mr. James A. Colston. The present infirmary is a 18-bed structure staffed by two full time nurses and a physician.

Wright Hall, a men's dormitory which houses 181 men was built during Maj. R. R. Wright's presidency.

Morgan Hall where the Division of Business Administration is located was built in 1936.

SURROUNDINGS SINCE 1901 . . .

Upon this campus . . . moss laden . . . lovely . . . warm . . . often lonely, history has turned a page

and lazily slapped "proud past" on familiarities such as Camilla Hubert Hall, Herty, Morgan,

Meldrim, Hill Hall, Powell, Adams, and Hammond.

These are the old of our surroundings, very much a part . . . very present though labeled "proud past".

Awareness of these historic sites is understatement, for the SSC family is overly aware of the faces of time upon this, our home.

Meldrim Hall, the administrative building on campus was built in 1896; the building had been burned and was rebuilt in 1926. Located in Meldrim are offices, and an auditorium.

Hammond Hall, the home economics building was built in 1915.

Herty Hall was built in 1937; it was remodeled under the administration of Dr. W. K. Payne and is now used for instruction in natural sciences.

... OF OUR SURROUNDINGS BEGAN

Air conditioned . . . modern . . . different . . . spacious . . . NEW Gordon Library, Peacock, Lester and Lockette Dormitories, B. F. Hubert Technical Science Building, Wiley-Willcox Complex, Payne Hall, Kennedy Fine Arts Center and the upcoming student center. Though a new and wearing the face of tomorrow, these sites add only a sparkle of the modern to SSC's campus.

What an awing sight, that of the above newnesses scattered near and throughout the old. Awareness of these new structures is very great however they too will soon sink into the archives of history and become the old.

Lester Hall, a dormitory for girls was built in the summer of 1964.

Wiley-Willcox Gymnasium Complex—1966

W. K. Payne Hall, a two-story air-conditioned classroom building consists of fifteen classrooms, office space for 32 instructors, data processing facilities, a language lab, a reading clinic, and an administrative area; it was also completed during the '65-'66 school year.

Lockette Hall, a girls' dorm houses 180; it was occupied for the first time during the '65-'66 school year.

ANEW IN 1956 . . .

A Modern, new library with a well-prepared staff serves the college and community.

The beginning stages of construction on the new student union and food service facility began during the fall quarter '68.

Peacock Hall ('67) a dormitory accommodating 180 men.

The new college stadium completed in 1968 houses 5000 people.

B. F. Hubert Technical Sciences Center was completed during the administration of W. K. Payne.

FACULTY

DIVISION OF

Hayward S. Anderson, D.B.A.
Harvard University

The main purpose of the Division of Business Administration is to afford students a sound educational foundation for socially effective, gainful work in the business world. Specifically, through curricular offerings, supervised work experience, and individual counselling this division prepares students for (1) employment as bookkeepers, accountants, secretaries, stenographers, and salesmen; (2) operation, management, and ownership of business enterprises; (3) teaching business subjects in the secondary school; (4) further study in accounting, business

BUSINESS ADMINISTRATION

economics, general business, secretarial science, and business education. To realize these aims the division offers courses leading to the degree of Bachelor of Business Administration.

In addition to the degree programs, the division offers a terminal secretarial science course for students who do not find it convenient to remain in college for four years. Through intensive study and concentrated effort, such students are enabled to prepare for such positions as typists, stenographers, book-keepers, and file clerks.

Miss Albertha E. Boston, M.B.A.
New York University

Hubert L. Reeves, M.A.
American University

Bernie Slotin, C.P.A.
Sharton School of Finance

The Division of Education serves three major purposes: (1) in cooperation with the Collegewide Teacher Education Committee and the Georgia Council on Teacher Education, it spearheads the process of continuous planning, experimentation, and evaluation of the total teacher education program; (2) it assumes chief responsibility in the selection, guidance, and training of students for the work of teaching in elementary and secondary schools; (3) it provides an adequate foundation for advanced study on the graduate level for persons who plan to continue their educational preparation following graduation.

This division comprises three departments: The Department of Elementary Education; the Department of Health, Physical Education, and Recreation; and the Department of Secondary Education. The preparation of teachers is, however, a college-wide commitment. Because every division and department at the college is involved in teacher education in some subject matter field, this function engages the constant interest and efforts, staff resources, and facilities of the entire institution.

DEPARTMENT OF HEALTH, PHYSICAL

The essential aim of the Department of Health, Physical Education, and Recreation is to provide professional training for pre-service and in-service teachers of health, physical education, and recreation in the elementary and secondary schools. The department encourages only potentially qualified students to take professional training in this field. It seeks also to provide instruction for all students in the basic principles of health and recreational activity needed for wholesome living.

In pursuance of the foregoing aims this department provides a four-fold program of instruction. For students who plan to become professional workers in the field of health, physical education, and recreation—either in schools or in other agencies—the department offers a sequence of specialized training leading to the degree of Bachelor of Science in Education, with a concentration in health, physical education, and recreation program. In addition, it provides basic training in supervision of one or more phases of a comprehensive health, physical education, and recreation program in the schools of Georgia for all students enrolled in teacher education curricula at the college. This phase of the work is provided either in selected specialized course or in a minor sequence.

DIVISION OF

DEPARTMENT OF ENGLISH

The aims of the Department of English are (1) to develop proficiency in oral and written language; (2) to instill an appreciation for good literature; (3) to encourage a deep perceptiveness of mind in order to make it more flexible and inquisitive; and (4) to reveal the operation of the human spirit in our civilization. The ultimate aim of the department is a quality of mind, rather than a mere accumulation of information.

DEPARTMENT OF FINE ARTS

Coleridge A. Braithwaite, Ed.D.
Columbia University

The Department of Fine Arts encourages students to find in the several areas of music and the graphic and plastic arts an appreciation of aesthetic values in general education and opportunities for the development of their special interests and abilities in these fields. In conformance with the stated philosophy of the college, the department stresses specific objectives in the areas of music and art.

The music program curriculum prepares students for certification by the State Department of Education as teachers of music in grades one through twelve.

DIVISION OF SOCIAL SCIENCES

Good citizenship is the supreme goal of the social sciences. To be able citizens, students should have knowledge of human and cultural backgrounds and relationships. This essential knowledge comes through study of history, economics, sociology, political science, and other social sciences.

The Division of Social Sciences contributes to the realization of good citizenship by fostering three aims of higher education: (1) assisting students to attain those competencies and attitudes essential to all persons in a world of interdependent relationships; (2) preparing students for advanced study in fields such as social work, sociology, and history; (3) preparing students for teaching the social studies in the secondary school.

DEPARTMENT OF MATHEMATICS AND PHYSICS

John B. Clemmons, M.S.
Atlanta University

Prince A. Jackson, Jr., Ph.D.
Boston College

Gian S. Ghuman, Ph.D.
University of California

In order to meet the challenges of today, the Department of Mathematics and Physics has as its primary objectives: (1) helping the student to acquire and to demonstrate those mathematical skills needed for more successful living and at the same time to differentiate and to appreciate the significance of these specific skills; (2) helping the student acquire the "feel" for advanced ideas in mathematics and to demonstrate a degree of mastery in what necessary or indicative of his career goals or pursuits; (3) helping the student develop the choice of mathematical thought peculiar to his area of specialization or professionalism; and (4) helping the student to evaluate and recognize the continuous changes which occur theoretically, practically and linguistically and to help him make contemporary adjustments.

In an effort to set forth the objectives listed above, the department has kept its curriculum upgraded, constantly changed its textbooks according to recommendations made by national agencies, and improved its equipment and instructional environment. Its staff includes four members who have earned the Ph.D. degree and one visiting professor.

Graduates from the department hold important positions with many U.S. Governmental agencies and with prominent national industries.

Among the courses offered to enhance the general philosophy of the department are computer programming and computer science.

DEPARTMENT OF CHEMISTRY

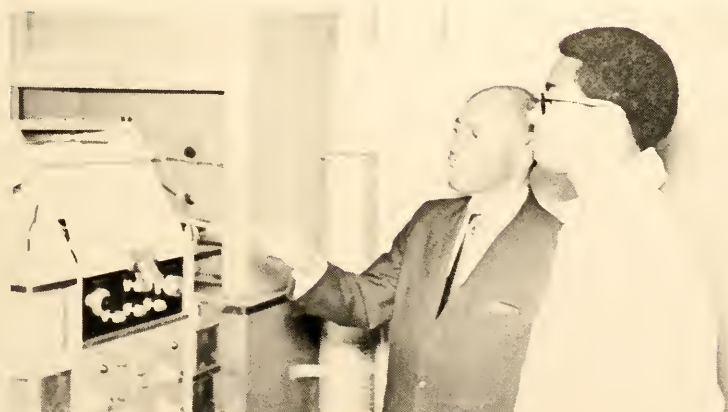

Charles Pratt, Ph.D.
University of Oklahoma

The work in the Department of Chemistry is intended to serve four purposes: (1) to provide a thorough foundation in the general courses for students who seek an understanding of the methods and achievements of the chemist; (2) to include the needed semi-specialized preparation for students who are majoring in home economics and engineering technology; (3) to afford training for persons who plan to teach science in the secondary school; and (4) to include preprofessional training for students who intend to study dentistry, medicine, and the like, and for those who plan to enter graduate school.

The Department of Chemistry offers the usual general courses, a minor sequence, and courses leading to the degree of Bachelor of Science with a major in chemistry.

DIVISION OF DEPARTMENT OF ENGINEERING TECHNOLOGY

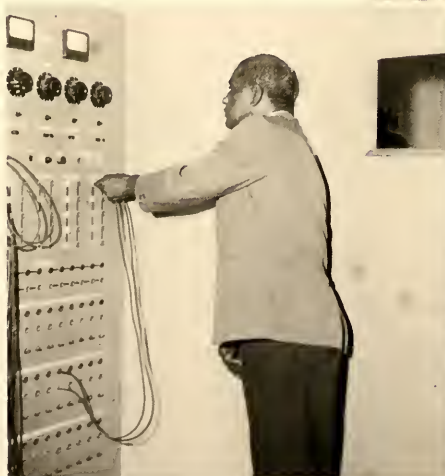

Engineering technology embraces the physical sciences, mathematics, and the practices of modern industry which are utilized in the design and construction of the machines, structures, highways, power sources, communication systems, and materials needed to maintain a highly civilized society. The activities of engineering technology are concerned with translating the concepts and theories of professional engineers and scientists into actual devices and products by using laboratory tests to provide data for rational designs. These tests are followed by interpretations of data and preparation of working drawings for use by skilled craftsmen who produce the devices and products.

of Iowa

The objective of the Department of Home Economics is for each student to become a well-informed person ready to take advantage of the expanding opportunities for home economists in our world of accelerated change. A degree in home economics provides a broad, liberal education along with a specialty to prepare young people for tomorrow's world. The degree equips graduates to be "professional consumers" and prepares them for immediate careers or in the future and to earn above-average salaries. The degree gives them clarity and a fresh vision for problems in home and family living. Research shows that family life experiences enhance a woman's professional growth in the field of home economics.

Homecoming '68 had as its' theme "An Island of Paradise".

The various campus organizations that entered floats and car floats in the homecoming parade each based their entry on the theme—"An Island of Paradise". Hundreds of spectators stood in the cold and drizzling rain to view the colorfully decked floats and the high stepping marching bands.

For the more than 33 queens that participated, it was really an event to be remembered, especially for Miss Linda Williams who rode so regally as "Miss SSC".

The parade was the initial homecoming festivity, and it was representative of the many other activities that followed.

Acting minister David Foye eulogizes the deceased Wildcats as a grief-stricken brother reacts to his message.

Savannah State Collegians gathered to funeralize their homecoming opponents the Fort Valley State College Wildcats in a very spirited and momentous ceremony.

The Wildcats were hung high at noon during the "Hanging" festivities. Cheers of "Hang 'em high" could be heard throughout the crowd as the blood thirsty Tigers gathered momentum for the oncoming football battle between the Tigers and the Wildcats.

HOMECOMING BANQUET

The Savannah State College Alumni participated in the homecoming festivities by sponsoring an "Alumni Weekend", which was quite successful. The weekend began with the viewing of the homecoming parade in downtown Savannah, and later an attendance to the Homecoming game. The alumni met on campus for a "Get Acquainted Session" and later on

that evening they took advantage of the elegant setting of the Veranda Room in the Manger Hotel, which was the setting of the alumni dance.

Many alumni had journeyed from as far away as New York, New York to take part in the activities, and Dr. Prince Jackson, Alumni Secretary, reports that a most delightful time was had by all in attendance.

DELTA SIGMA THETA SORORITY

Soror Attorney-at-Law Mary Moss, a graduate of Savannah State College delivered the Vesper message on November 17, as the Sorors of Delta Nu sponsored Vesper services. Introduced by Soror Ann Harris, Soror Moss captivated the audience from start to finish.

Immediately following their Vesper service, the Deltas, President and Mrs. Jordan, and Brothers in Omega enjoyed a reception in the Audio-Visual Center.

During the program presentations were made to Soror Rosemary Banks, the Adviser and Soror Rhodriquez.

Soror Ina Rozier presents Soror Marcelle Rhodriquez with a gift of appreciation for services rendered as past advisor of the Delta Nu Chapter.

Soror Bettye A. Battiste receives a gift in honor of her selection as this year's Delta Queen.

SSC CHORAL SOCIETY

The "Sound of Music" was in the air as the SSC Choral Society, conducted by Dr. Coleridge Braithwaite presented their annual Christmas concert in Wiley Gymnasium on December 15.

The program opened with several excerpts from Handel's "Messiah." Soloist included Naeline B. Durham, Jeanette Mack and Gilda Dawson. Accompanists were Marie Crawford, Patricia Mobley, and Jessica Johnson.

During the intermission, the audience sang three familiar carols: "Hark, the Herald Angels Sing," "O Little Town of Bethlehem," and "Angels We have Heard on High".

The second half of the program opened with a contemporary composition by Daniel Pinkham, "Christmas Eve", then the quiet Austrian carol, "Still, Still, Still" was sung.

Accompaniments were furnished on the new three-manual organ, as the members of the organization were formally attired for the presentation.

PATRICIA JAMERSON SPEAKS

Patricia Jamerson speaks in observance of annual Founders' Day celebration of AKA Sorority.

On January 16, 1908, a young woman named Ethel Hedgeman envisioned an idea that has now become the pride of many young college women. Ethel Hedgeman, a junior at Howard University, loved her people and wanted to do something to raise their standards. In her room in Minor Hall, Ethel Hedgeman, Lucy Slowe, Beulah Burke, Margaret Hagg, Marjorie Hill, Marie Woolford, Anna Brown, and Lavinia Norman met to draw up plans for the organization. Lucy Stowe was elected basileus.

From so small a nucleus, Alpha Kappa Alpha has grown to more than 1,101 graduate chapters and 110 undergraduate chapters throughout the United States and Liberia.

At the inception of Delta Sigma Theta Sorority, Inc., in 1913, the founders envisioned an organization of college women devoted to serious endeavors.

These youthful leaders demonstrated a vital concern for social welfare, academic excellence, cultural enrichment and deemphasized the social side of sorority life.

Delta Sigma Theta Sorority was founded at Howard University by a group of 22 undergraduate women dedicated to high intellectual and moral standards among its members, for its own benefit and for that of the larger society in which it existed.

On September 25, 1968 twenty-five young ladies were given probationary status in Gamma Sigma Sigma, a national service sorority, who are sisters to the members of Alpha Phi Omega Service Fraternity, Inc. The sorority's primary purpose is to give service to the college and the community.

The first slate of officers for the organization is headed by Miriam Thomas, President. Other officers are Vireginer Bryant, First Vice-President; Gwendolyn Felton, Second Vice-President; Yvonne Jackson, Recording Secretary; Patricia Brookins, Treasurer; Annie Frances Jordan, Social Chairman; Linda Jackson, Historian; Lucy Goodall, Alumni Secretary.

The initial project of the organization was an all-college dance held on November 15, 1968 to obtain canned good for needy families of the community. The sorority termed the dance a huge success.

SIDNEY A. JONES SPEAKS DURING OMEGA PSI

In 1911, three young men, Edgar A. Love, Oscar J. Cooper and Frank Coleman, conceived the idea of founding a Negro fraternity. The young men discussed the matter and concluded that they should have some guidance. They contacted Professor Ernest E. Just and he consented, having a keen appreciation for the problems of youth.

On November 17, 1911, at Howard University, the Omega Psi Phi Fraternity was born. From that one undergraduate chapter at Howard, the Omega Psi Phi Fraternity now has a roster of more than 270 chapters.

SPORTS

FOOTBALL 1968-69

A YEAR OF???

With only 17 returning players on the squad the 1968-69 edition of Savannah State's Tigers sprung into the new and tough oncoming season. Joining the talented crop of veterans were several first year players and numerous rookies. With these players on hand coach Leo Richardson and his staff journeyed out to face one of the toughest schedules in the College's history, spearheaded by Alabama State and Alabama A&M back to back.

After dropping their first two encounters despite scoring over 60 points in the two games the determined Tigers hosted Allen University and won their first game of the year.

With their first win under their belts SSC's pride packed gear and traveled to Jackson, Tennessee to duel with Lane College. Once again the locals sipped the bitter of defeat as Lane held them scoreless enroute to the victory.

With a few offensive changes due to injuries the Tigers hiked to Atlanta to battle with non conference rival Clark College. A pair of quick scoring aerials from Johnny Abrams to Felix Bell gave SSC a comfortable and a balanced offensive attack sparked by Frank Bell on the ground and some typical Tiger defensive play paved the way for SSC to win their second and last game of the year.

The rest of the year was a nightmare for the locals as they fell to Fort Valley in their annual homecoming game in almost unplayable rainy and cold weather.

SSC's last two defeats came from Albany State and South Carolina State back to back. Despite winning only two games the Tigers seemed to impress several pro scouts as they on several occasions visited SSC's campus in efforts to talk with players and coaches.

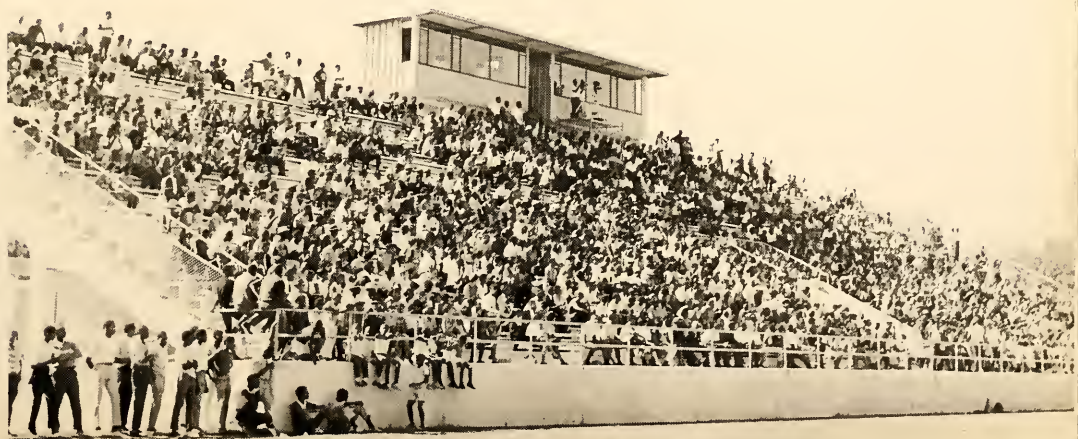

Coaching Staff: John Mason (offensive squad) Leo Richardson (head coach) Richard K. Washington (defensive unit).

FRONT ROW: D. Wright, I. Randall, H. Betts, A. Walker, M. Flowers, F. Stevens, I. Berry, C. Hill, L. Oliver, E. Brown, H. Bell. *SECOND ROW:* J. Brown, J. Elly, F. Mosley, S. Chesnut, P. Garnett, J. ALABAMA STATE COLLEGE—35,

Alabama State College romped to a 28—0 first half lead, then had to fight for its life in the second half as SSC scored 32 second half points.

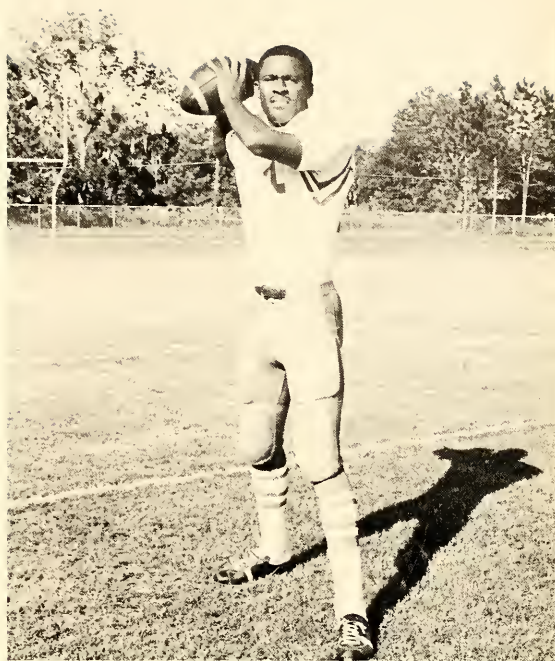

The game dedicated Savannah State's new football stadium as close to 5000 fans looked on in wild excitement. Savannah State's poor showing in the first half was due possibly to the 7 first year men on defense, and opening their first game of their college career. Despite these obstacles SSC allowed only 7 points the second half as its defense and offense poured it on Alabama State. Scoring for SSC were Frank Bell on a 1-yard run, Isral Randall on a 1-yard run and Felix Bell twice on two long bombs from Freddie Mosley. Steve Jones added 2 extra points.

Outstanding deensively were Henry Betts, Pat Garrett, Max Parker and Andre Alston.

Felix Bell led in scoring

Mosley got attack going

Frank Bell—"The Battering Ram"

Savannah State's highly explosive offense was gain in high gear but unfortunately, so was A and M. Fumbles severely handicapped SSC all day long as did the 105 yards in penalties.

Matters were resolved in the final analysis by the Alabamians ability to make the vital first downs and maintain ball control. Scoring was led by Felix Bell one-yard run, a 4-yard run and a 3-yard run. Steve Jones added an extra point. Also adding to the offensive punch on the line was Edward Stenson, Willie Armstead, Billy McDowell and Terry Leggett. Defensive Standouts were Jack Elly, Henry Betts and Pat Garrett.

ALLEN UNIVERSITY VS. SSC

Playing in their third straight home game, the Tigers became victorious. Allen University was never in the game that saw SSC marching up and down the field repeatedly. Scoring honors went to Frank Bell, Felix Bell and Leroy McCormick of runs of fifteen yards each. Outstanding defensive performances went to Felix Stevens and Roger Mydell at ends. Judson Brown and Dennis Jones at tackles and Pat Garrett at head on center. Outstanding in the secondary were: Washington Peoples, Lawrence Oliver, and Bill Harris. At Linebacker and hitting anything in sight was Charlie Smith.

LANE COLLEGE VS. SSC

The Savannah State College Tigers were held scoreless in this game played in Jackson, Tennessee. Lane's scoring came all in the first quarter as SSC got rougher as the game progressed. Penalties deprived SSC from numerous scores deep in Lane's territory along with two fumbles and one interception.

CLARK COLLEGE—12, SSC—23

In this game played on a very cold night in Atlanta, Georgia, SSC could do no wrong. Savannah State scored two first period touchdowns and went on to defeat Clark College 23—12. Two blocked punts gave SSC the vital breaks needed to gain good field position. Felix Bell scored twice within three minutes of the kickoff. The offense found a new spark with Johnny Abrams taking over for Mosley as he tossed two bombs to Bell. Frank Bell romped all game long, finally scoring on a 36 yard run. Outstanding defensive games were played by Roger Mydell, James Dupree, Judson Brown, Isaiah Berry, Lawrence Oliver, Washington Peoples, and Henry Betts. Offensive standouts were Johnny Abrams, Leroy McCormick and Donald Wright.

FORT VALLEY STATE—18, SSC—16

As is typical of all the games between Fort Valley and SSC this was a real hard fought battle. It was played on a cold and rainy homecoming; SSC fought gamely to salvage a victory which proved to be out of reach by three points. SSC fell behind 12—0 at the close of halftime. The odds of catching became greater as the rain came down heavier. Despite, all SSC made a game of it and nearly pulled it off. Touchdowns were recorded by Roman Tarver and Frank Bell. Extra points were scored by Lawrence Oliver. Offensive standouts were Freddie Mosley, Johnny Abrams, Horace Kendricks, and Frank Bell. Defensive standouts were Judson Brown, Bill Harris and Israel Randall.

ALBANY STATE—33, SSC—30

The Tigers of Savannah State College lost to Albany State College in their traditional rivalry. The Rams return by Willie Dixon on a controversial play, were nipped 33—30. The Tigers, who were ahead with little time remaining, seemed to have the game locked up until then. The Tigers got off to a good start on a bomb from Felix Bell to Horace Kendricks. The Tigers scored again making it 13—7 on a scamper by Felix Bell for three yards. This scored increased to 16—7 or a walk of fifteen yards by Frank Bell, but Albany State proved to be just as determined to win also and led at the half by 19—16 in a desperate comeback. The Tigers remaining two scores in the second half came on a three yard run by Frank Bell and a recovered fumble by Judson Brown in the end zone to lead 30—27. On the pursuing kickoff, Albany brought it back all the way to clinch its victory.

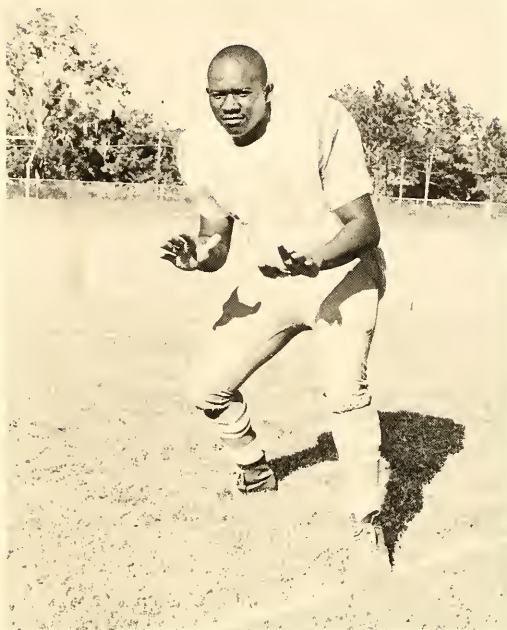

HALFBACK—Horace Kendricks

SOUTH CAROLINA STATE—36, SSC—7

Savannah State held its own against powerful South Carolina State in the first half which ended 10—7 in favor of South Carolina State. However, the second half was a different story as South Carolina State ran up twenty-six points. Savannah State's score was due to a five-yard pass to Jesse Chestnut and the P.A.T. by Steve Jones. Three times within the 10-yard line, Savannah State held their opponent. The fine defense was led by Henry Betts, Lawrence Oliver, Bill Harris, and Charlie Smith, with twenty tackles in the first half and three interceptions.

SSC TIGERS BOMB ARMSTRONG PIRATES

Led by the amazing shooting of Carl Crump with 36 points, plus an all around performance from Vincent White and Michael Jordon, the SSC Tigers won their first game ever against cross town rival Armstrong State College with a score of 86—74.

The Tigers were really up for this one. They opened furious attack in the first half and mounted a seven point lead. ASC bounded back, and with both teams trading baskets, the half-time score read 41 all. With about 1:10 left in this half and the score 41—35 ASC leading, Carl Crump made one field goal, stole the ball and made another, and Vincent White tossed in a 15 foot hook to tie it up.

The Tigers came out roaring to go and in the second half were not about to let the Pirates stand in their way. With Crump popping them in from all angles and driving in at will, forcing the Pirates to foul, and with White making those sweet hooks and Jordon controlling the boards, the Tigers grasped a 15-point lead and did not permit the shorter Pirates enough time to decrease the margin.

Jimmy Rutley, last year's spark plug, outdid himself and put in 13 points. The Tigers playing a man to man defense, with Rutley checking hot Parker when he was in, stymied most of their scoring efforts. Reserve Gerald Hendricks came right in and made like Bill Russel by blocking three straight shots. Now that requires speed!

Johnny Abrams played his usual great game on defense, and Victor Hill, also guarding Parker, played great ball.

In individual standings, Carl Crump blistered the nets for 36, Vincent White 18, Michael Jordon 12, Jimmy Rutley 13, Johnny Abrams 4, Gerald Hendricks 2, and Victor Hill 1. Jordon led everyone with 20 points in rebounding.

TIGERS READY TO ROAR AT CALL!

TIGERS WHIP PAINE COLLEGE

With veteran guard Carl Crump passing off to Johnny Abrams in three crucial situations in the final two minutes of play, the Tigers of SSC won their third straight with a convincing 81—76 margin.

The Tigers in the first half built up two eight point leads, only to see them diminish under the Lion attack. The Tigers, with Jordon and White finding the marks appeared like they would enable the Tigers to run away, but it was nothing doing. Paine got the lead with 40—39 with about 11 seconds remaining in the first half. The Tigers' Vincent White made a field goal however and the Tigers held a slim one point lead.

The Tigers started off the second half real hot and built up an 8 point lead with the score standing at 54—46. When Paine's Rodgers fouled out, the Tigers thought that the game would be easier. But his replacement came in and under him, the Lions got a 3 point lead with about 2 minutes left.

Then White, Crump and Abrams got busy. White would get the rebound, pass it off to the fast Crump, and with his daring moves, he would pass it off to Abrams who in turn would make the easy layout. They collaborated on this excellent display of the fast break on three consecutive plays that broke the game wide open.

The win was a big one for the Tigers, pushing their conference totals to three wins and only one loss, to Paine in Augusta earlier this season.

The Tigers were led in scoring by Michael Jordon, who gets better with each game, with great moves for a big man and he had a total of 29 points. Slick ball hawking Carl Crump got 17 points. Jordon, like a demon on the boards, hauled in 26 rebounds, and Vincent White grabbing those crucial ones in the last seconds of play ended up with 19. Floyd Goodwin made 17 Lion points and Teddy Ford and Willie Rogers both made 18. Hardy Marshall led Paine with 15 rebounds.

Like it has been said in the past, the Tigers have a great team and now they are finally living up to their pre-season expectations.

SSC ORGANIZES FIRST GOLF TEAM

Jimmy Wesley
Captain

Herman Pinckney

Jacob T. Brown

Morris Brown

IN HISTORY OF SCHOOL

The first golf team ever to be a part of SSC has now been formulated under the coaching assistance of Dr. Herman W. Sartor. The team included Jimmy Wesley, Captain; Herman Pinckney; Morris Brown; and Jacob T. Brown.

The team's first major appearance was in the Mid-Town Golfers Association Annual Closed Tournament which was held on September 29, 1968. They did exceptionally well with Jimmy Wesley placing first in the first championship flight, and Morris

Brown winning second in the second flight. Coach Sartor placed second in the third flight.

In the month of November, Wesley shot a 68 to win the Turkey Shoot that was held at Municipal Golf Course here in the city. He also won the South Eastern Golf Tournament in Jekyll Island with an even par of 72. Morris Brown won fourth place in the first flight with an 86 on the first day of competition and an 85 on the last day.

Teeing up are Dr. H. W. Sartor, Coach: Jacob Brown; Herman Pinckney; Morris Brown; and Jimmy Wesley, Captain.

STUDENT LIFE

I use Pepsodent Tooth Paste; how about you?

The bear-hugging fellows.

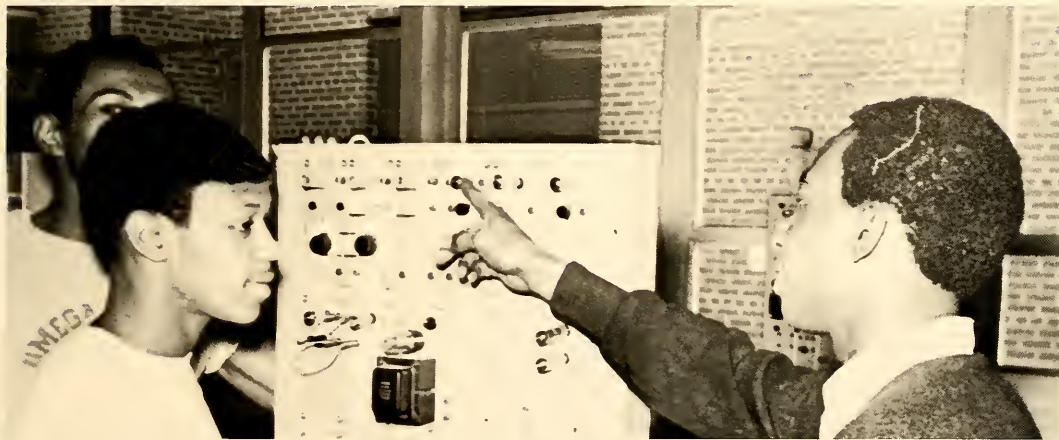

Hello, Kitty Kat Lounge, Meow speaking.

The Russians are coming; The Russians are coming.

What a fast one that was.

Gentlemen, this machine is for . . .

I'm checking my way out of this library.

The atmosphere in here is much better than in Mr. Stokes' class.

It would be great if I knew what I was doing.

No honey, $2+2=5$.

A beautiful day in the life of a wonderful girl.

All work and no play makes me a dull girl.

When you hear the sound of the bell, STOP.

Now where is that math class meeting today?

Can you imagine SSC's campus without any cars?

What's going on here?

Denegal, don't squeeze her so tight.

I'm sorry but you can't see my

Have you heard of an automatic test tube washer?

... Now is the time for all good men ...

Smile you're on candid camera.

Dr. Jordan, I believe you have the wrong envelope.

This building looks deserted.

MEAL TIME

AT SSC

"I'm sorry, son, but finance is low at home this month."

JoAnn, what are you and "Holly" watching?

This is how I do the Sophiscated Sissy.

"If I don't get this experiment correct this time I'll flunk the course."

We have to sign in and out of the dormitories.

SSC Students mourn the death of Dr. Martin Luther King, Jr.

"Good morning, Savannah State College; may I help you please?"

If we go behind the building he won't see us cutting his class.

Man, this game is enlightening me more than History 300 will do the next class hour.

Don't twist your tongues with those German words.

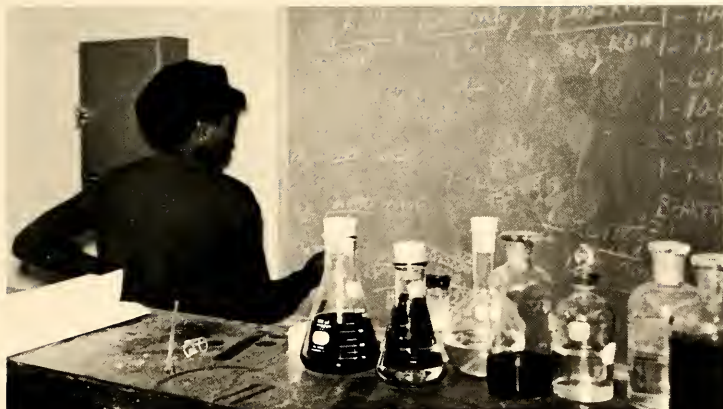

Miss Mobley, your class began a half hour ago.

Working with this lab equipment is too much fun.

What do I put here?

What am I doing here?

Hey Nevells, do you see me? I see you.

Marsh scene from SSC Campus.

Perhaps my name appears on the Dean's List this quarter.

... R-E-S-P-E-C-T ... Sock it to me ...

SENIORS

DEATH

Florence Earle Coates

I am the key that parts the gates of Fame;
I am the cloak that covers cowering Shame;
I am the final goal of every race;
I am the storm-tossed spirits resting place.

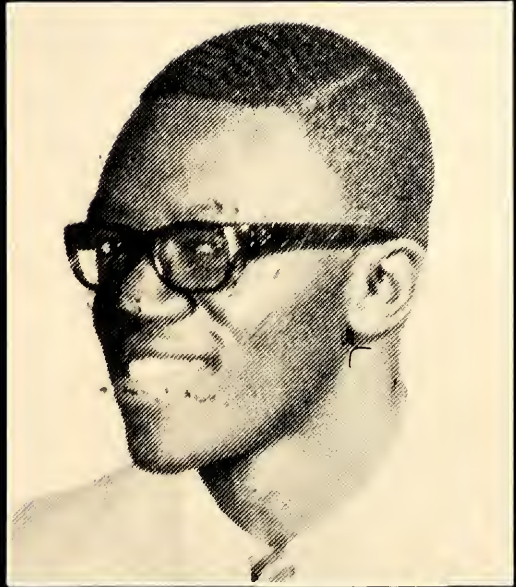

The messenger of sure and swift relief
Welcomed with wailing and reproachful grief;
The friend of those that have no friend but me,
I break all chains and set all free.

I am the cold that, when Earth's day is done,
An instant veils and unextinguished sun;
I am the brooding hush that follows strife,
The waking from a dream that man calls Life.

THE DIFFICULT

The yearbook staff found some difficulty in attempting to identify the students that are pictured on this double page spread. A few of the students we were able to secure their names and classifications but not the names of their hometowns. The staff apologizes for not securing the necessary information for the remainder of the students.

Patterns...

A day in the woodlands uncovers a great variety of patterns. Some are pleasant and soothing; others excite wonder and curiosity. They are patterns enriched by sounds of wild life and winds, by the smells of pine and earth. They are patterns of the past—reminders of times when man's survival depended on his mastery of the forest. They are patterns of growth—tracing every stage from fragile seedling to towering tree. And they are patterns of order, progress, and change, combining the spontaneity of nature with the handiwork of man.

Crossing The Bar
Alfred Lord Tennyson

Sunset and evening star,
And one clear call for me!
And may there be no moaning of the bar,
When I put out to sea,

But such a tide as moving seems asleep,
Too full for sound and foam,
When that which drew from out the boundless deep
Turns again home.

Twilight and evening bell,
And after that dark!
And may there be no sadness of farewell,
When I embark;

For tho' from out our bourne of Time and Place
The flood may bear me far,
I hope to see my Pilot face to face
When I have crost the bar.

TIGER'S ROAR

Barbara J. Mobley, Editor-in-Chief, Tiger's Roar takes a look through one of her issues.

Augustus G. Howard, Associate and Sports Editor adds the finishing touches to one of his articles.

Devarn Murray, (stand. l.), discusses an article with Sandra Bland, Fashion columnist, as Carol Newsome types the assignments from the board. In the rear Barbara assists Sophia Way, a columnist, in finding a seat at a staff meeting.

Clockwise: Devarn Murray, Carol Newsome, Deloris Murray, typist, Sharaveen Brown, columnist and Cynthia Dorch converse.

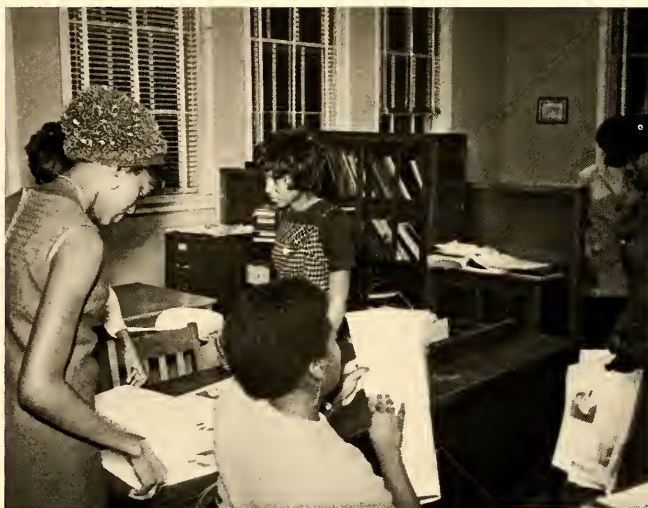

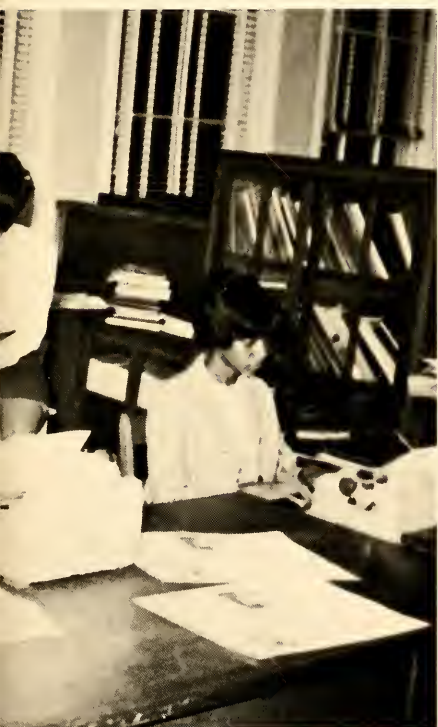

NEWSPAPER STAFF

Barbara talks over the month's assignments with staff members Sophia Way, foreground, Debbye Richardson, Greek & Book Review Editors and Sandra Bland.

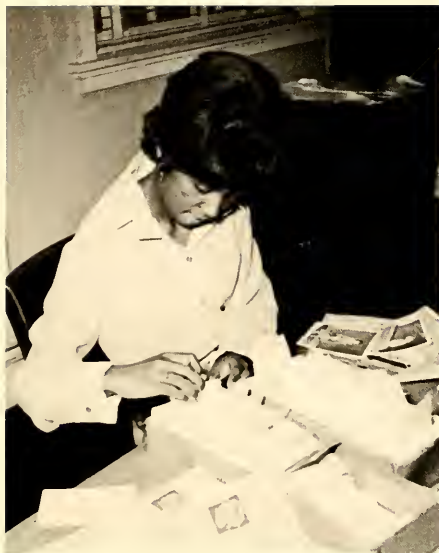

Augustus and Barbara discusses typography.

Staff members busily prepare papers to be mailed to other institutions.

EDITOR'S MESSAGE

An editor always looks forward to this page because he realizes that he has just about completed his job; and I, myself, being of no exception, share this feeling. As I complete the final touches on this page I begin to remember what I encountered as the book was in its embryonic stage.

My initial problem was that of getting all campus queens to convene for group photographs instead of individual ones. I did not think that such a simple task would require so much work and time. I reasoned that if all the girls cooperated the job could be done in a day. Would you believe that it took approximately five weeks to get about twelve photographs? Why? There are a number of reasons: we experienced bad weather which was not conducive to taking pictures, the expected cooperation from the girls was not received, and finally, we had to retake some photographs because they were not successfully photographed.

The second problem that I had was that of meeting deadlines. At the outset of my job, I said to myself that I would make all of my deadlines. However, as time moved on, my deadlines came closer and closer. I realized that I could not send off the number of pages that the company required without pictures, hence I missed a deadline.

Finally, I had a communication problem with the members of the staff. Of course, I had members to work along with me but they were not as dedicated as I anticipated. At the commencement of the aca-

Raymon Hightower, Editor-in-Chief

demic year my staff consisted of twenty-five members and of this number I have had twelve members to remain throughout the year. Only two or three of that twelve have worked diligently toward the production of this yearbook. I hope the editor of the 1970 TIGER will have a more cooperative staff. I challenge you, the students who desire yearbooks, but who put forth no effort toward the editing of them, to join the staff and discover of this facet of journalism.

The 1969 TIGER staff and I hope that effort is worthy of your consideration.
